Re: Detailed Pashto Quraan (القرآن الكريم پشتو تفسيری ترجمہ)

To whom it may concern:

I Mohmed Patel (Imam at Masjid-e-Umar) am writing this letter to reach out to afghan community. Shaikh Ubaidullah Asad, is an active community member. He regularly comes for prayers in Masjid-e-Umar, has taken out his time and has put an effort in translating the Quran into the Pashto language. The name of his tremendous work is "Detailed Pashto Quraan"

القرآن الكريم پشتو تفسيری ترجمہ

As a result, I reach out to the community in hopes that you will take out the time to get a copy of the translated Quran and dedicate your time to reading the translation of the Quran.

May Allah swt bless Shaikh Ubaidullah Asad who has taken out his time and put effort into this work and make it a means of guidance for the Ummah specially our Pashto speaking community.

Please do read and benefit from this work and may Allah swt guide us all towards the right path

Aamin.

Sincerely

Mohmed Patel
